Capital Credit Union Named Best Credit Union in North Dakota By *Forbes*

BISMARCK, ND – For the third year in a row, Capital Credit Union has been named North Dakota’s best credit union in a nationwide survey conducted by *Forbes* and market research firm Statista.

Forbes and Statista identified America’s Best-In-State Credit Unions 2021 based on an independent survey of approximately 25,000 US consumers who were asked to rate credit unions at which they have or previously have had checking accounts. Participants made recommendations regarding overall satisfaction; they also assessed credit unions in the following areas: trust, terms and conditions, branch services, digital services, customer service and financial advice.

As a not-for-profit institution, Capital Credit Union returns all the extra money we earn to our members in the form of lower rates on loans and higher returns on deposits. We also take pride in educating our members and making them wiser consumers of financial services.
