

TEXT BANKING

Check account balances and history and transfer money via text message.

To enable text banking:

- Log on to your CU Online account at capcu.org.
- Click on the gear icon located in the upper-right corner of the page.
- Under the "Personalize" bar, choose "Settings" and then "Text Banking."
- Enter your cell phone number and choose the "save" icon to receive a validation code via text message (the text message will come from the number: 592-17).
- Enter the validation code you receive in the space provided on CU Online.
- Choose a primary account.
- If you'd like to utilize the transfer feature, you'll also need to choose a secondary account.
- Choose "Confirm."

You will now be able to utilize text banking.

- Text BAL to 592-17 to receive balances on all accounts
- Text TRAN (amount) to 592-17 to transfer from/to the preset primary and secondary accounts set up via CU Online
- Text HIST to 592-17 to receive the last 3 debit charges on your primary account
- Text HELP to 592-17 for acceptable commands
